Transplante de Medula Óssea

2018 USP-USPC Workshop on Hematology and Bone Marrow Transplant
Reunião Educacional Regional da SBTMO
May 11 - 12, 2018, São Paulo.

Thursday, May 10, 2018

09h00-10h00 Inauguração Oficial da Unidade Clínica de Terapia Celular HC-FMUSP

Friday, May 11, 2018

✓ **08h30 – 10h00 Bone Marrow Failure Syndromes**

8h30-8h40 Abertura e introdução – *Professor Vanderson Rocha e Vergilio Colturato.*
8h40-9h00 Treatment of inherited aplastic anemias beyond transplant - *Rodrigo Calado.*
9h00-9h20 Immunotherapies for aplastic anemia - *Diego Clé.*
9h20-9h40 Highlights from the Bone Marrow Failure Scientific Symposium - *Phillip Scheinberg.*
9h40-10h00 Transplant or not Transplant? *Mary Eapen*

10h00-10h30 Coffee Break

✓ **10h30-12h15 HSCT for sickle cell disorders**

10h30-11h00 Clinical results of HLA identical and unrelated transplants - *Eliane Gluckman.*
11h00-11h15 Characterization of Brazilian patients who could benefit from transplantation - *Myriam Park.*
11h15-11h30 Clinical profile of transplanted patients - *Thalita de Mello Costa.*
11h30-11h45 Immunologic recovery after transplant - *Julia Cottas de Azevedo.*
11h45-12h00 Immunogenetics of sickle cell disorders - *Karina Tozzato Maio.*
12h00-12h15 Discussion

12h15 – 14h00 Lunch Time

✓ **14h00-15h00 HSCT for Systemic Sclerosis and other Autoimmune Disorders.**

- 14h00-14h15** Autologous HSCT for systemic sclerosis - *Maria Carolina Rodrigues.*
14h15-14h30 Physical therapy for systemic sclerosis in HSCT - *Karla de Arruda Pereira.*
14h30-14h45 Highlights from the Tandem and EBMT meeting - *Nelson Hamershlak.*
14h45-15h00 Discussion

15h00-15h30 Coffee Break

✓ **15h30-17h20 Infections and drug toxicities in transplant patients.**

- 15h30-15h45 Arboviroses in hematologic and transplant patients - *Clarisse Machado.*
15h45-16h00 Impact of bacterial colonization on outcomes after HSCT - *Silvia Costa.*
16h00-16h15 Use of drug pharmacokinetics in the conditioning regimen - *Jayr Schmidt.*
16h30-16h45 Diagnosis and Treatment of SOS/VOD and other endothelial syndromes – *Belinda Simões.*
16h45-17h00 Other rare complications after HSCT – *Eduardo Paton*
- 17h00-17h20 Discussion

17h20 Encerramento

Saturday, May 12, 2018

✓ **8h30 -12h05 Highlights of Tandem and EBMT 2018**

- 8h45- 9h00 HLA and allo HSCT - *Noemi F Pereira.*
9h00- 9h15 CAR T cell - *Vanderson Rocha.*
9h15-9h30 HSCT for ALL - *Adriana Seber.*
9h30- 9h45 HSCT for myeloproliferative disorders *Vaneuza Funke.*
9h45-10h05 Discussion

10h05-10h30 Coffee Break

- 10h30-10h45 HSCT for genetic diseases *Carmen Bomfim.*
10h45-11h00 Unrelated Donors *Luis Fernando Bouzas.*
11h00-11h15 HSCT and new drugs for myeloma *Yana Novis.*
11h15-11h30 Processing of Stem cells *Alfredo Mendrone.*
11h30-11h45 Acute/ Chronic GVHD *Afonso Vigorito.*
11h45 – 12h05 Discussion (20M)

12h05 Encerramento

Professor Vanderson Rocha e Vergilio Colturato
